Re: Amended September Monthly Report (08/01/2006-08/31/2006)

To Whom It May Concern:

This letter is a response to the inquiry sent on January 26th, 2007 requesting additional information on the following items:

a. Missing Memo entry on Schedule E supporting line 10 Schedule D entry of "Stone's Phones" for \$7,048.48.

In response to item (a), the Sierra Club Political Committee will delete the "Stone's Phones" entry from Schedule D since the date of dissemination was not until September 2006. However, the Sierra Club Political Committee will amend and add the "Stone's Phones" entry to Schedule D along with its corresponding Memo entry in Schedule E to the October monthly report since the payment of the invoice was not made until October 4th, 2006.

b. Clarification of H4 payment to Lake Research Partner's description as "Voter Modeling", and apparent miss categorization as an Administrative expense.

In response to item (a), the Sierra Club Political Committee will amend the line item by changing the description to "Polling expense". In addition, since the disbursement for the Lake Research Partners is a polling expense, it is correctly classified as administrative expense.

If you have any additional questions please contact Gayle Sheehan at (415) 977-5560.

Sincerely,

Catherine Duvall
Sierra Club Political Committee
